LOVE A CHILD FOUNDATION

Sharing Gifts of Love, Life, and a Hope

Our organization has major humanitarian efforts in the Dallas/Fort Worth Metroplex. Many leaders in the community are beginning to notice our work, and appreciate that we facilitate philanthropy, equip children who are less fortunate, and support wonderful local Philanthropists and community leaders, who have been touched with compassion to help the children in need.

We are open to partnering with respectable companies that are willing to contribute to this wonderful cause. We are currently accepting donations and also have sponsorship packets for companies that are willing to contribute to the

cause. For any questions or concerns, please contact Edward Ritch at ritche@hotmail.com or call at 817-902-9473. You can also visit us online, www.loveachild.net

I thank you for your attention on this matter! I hope you will be touched by this venture we chose to embark on, and look to a time to invite a representative to learn about the programs we offer. In the meantime, we will graciously wait for your reply.
